Letter of conformance

Date: the 01-04-2025

Dear Ladies and Gentlemen,

Following the certification audit on the Quality Management System of your organization we assessed the corrective actions, and the nonconformities are closed. We are pleased to communicate to you that the Quality Management System with the defined Scope **Design and Manufacturing of Pipe Assembly for Air Suspension Systems** complies with the requirements of the Standard IATF 16949:2016.

Nevertheless, the Rules for Achieving and Maintaining IATF Recognition, 6th Edition, January 1st January 2025, clause 5.14 et seq., do not allow us to issue a certificate due to the fact that there is (either) less than twelve (12) month of production resp. less that twelve (12) months internal or external performance data for automotive production and / or service parts in the scope of certification.

Whenever your organization will reach this twelve (12) month of production or will be able to show that it is still on an active bid list for or have received a contract from a customer requiring IATF 16949:2016 certification, TÜV NORD CERT GmbH will continue with the certification process according to the rules for achieving IATF recognition.

Moreover, we inform you that this letter of conformance is valid for a twelve-month period:

IATF-LoC number: 0570297-LoC
Certification Body LoC number: 44 111 210243-022
USI: YN299T

Valid from: 01-04-2025
valid to: 31-03-2026

Therefore, the next audit to your company shall be done within this period resp. before the valid date of this Letter of conformance.

Best regards

Certification Body
at TÜV NORD CERT GmbH
